The 4 Star Tennis Program at the Bullis School is a carefully designed and implemented approach to the total game of tennis. Our overall goal in the program is to teach tennis for a lifetime of enjoyment and exercise. We use sophisticated teaching techniques to analyze and develop strokes. Proper practice and drilling techniques are clearly demonstrated and basic and advanced strategy is taught by lecture and on-court demonstration. Our small student / instructor ratio guarantees individual attention.

**Tiny Tots:** Designed for ages 5-6.

**4 Star Kids (10 and under tennis)**

Our focus is on player development using modified tennis balls.

**Beginner – Intermediate**

At the Beginner-Intermediate level, the program's goals are to teach boys and girls ages 7-13 basic tennis skills and strategies, in a fun, enthusiastic, and encouraging environment. Emphasis is placed on developing tennis skills, as well as confidence and a positive attitude.

**Developing Tournament Players**

This is an intensive program for Intermediate and Advanced boys and girls ages 10-13. The training is devoted to instructional sessions on court, physical conditioning to develop strength and speed, extensive drilling to sharpen all strokes, and competitive play.

**Young Tournament Players**

Our young Tournament Players are highly competitive juniors ages 10-14 who are currently ranked in the top 75 (BG12s & BG14s) and top 10 in BG10s USTA/MAS rankings. Classes will emphasize drills, match play, mental toughness and physical fitness. The goal of this Program is to take already competitive juniors and fine-tune their playing skills. This program requires a 2-3 day commitment.

**USTA/MAS Ranked and High School Varsity Players.**

This program consists of Tournament Players, ages 13-18 who are currently ranked in the top 75 USTA/MAS rankings and/or are on their high school team. The emphasis is on match play, consistency, and strategy with structured drills to enhance footwork and conditioning. A mental toughness component is included to improve effectiveness in competition. This program requires a 2-4 day-a-week commitment.

**4 Star Tennis Academy at Bullis has proven to be one of the most effective training programs in the Mid-Atlantic, beginning with our Tiny Tots and 10-and-under programs, advancing to our Supernational classes, preparing our students for recreational, collegiate and professional competition.**
